Our Trusted Partners

Trump Mortgage has developed a carefully selected roster of partners and alliances to ensure that all of our clients' needs are met—always. As an organization dedicated to confidence and trust, we demand no less from our favored partners. These recommended companies have demonstrated a commitment to the Trump standard of excellence and to providing outstanding customer service.

Trump University

Donald J. Trump's commitment to teaching others how to develop an "edge in business" and achieve success was the inspiration for his founding of **Trump University**. This unique web-based learning forum offers online courses in entrepreneurship, real estate, marketing, business management and wealth creation. Participants gain valuable tools and insightful knowledge developed from Trump's more than 30 years' experience in the business arena.

GoTrump.com

To "Travel Trump Style" means traveling where you want, when you want, without restrictions. With a choice of more than 60,000 hotels worldwide, and a wide variety of flights and travel packages, **GoTrump.com** offers not only the best selection, but the best deal—with the lowest online rates available.

Trump Institute

The Trump Institute is a nationwide learning organization based on the vast knowledge and insight Donald J. Trump has garnered during his renowned career. The Institute hosts **The Donald Trump Way to Wealth Seminar** in multiple cities, on a weekly basis, throughout the year. This seminar provides a powerful, practical introduction to the wealth-building strategies in real estate and business that have made Trump one of the most successful and respected businessmen of our time.

Ellie Mae

Ellie Mae is an award-winning provider of software and services for the mortgage industry, connecting loan originators to customers, partners, lenders, underwriters and service providers. Founded to leverage the power of the Internet for mortgage brokers and originators, its unifying mission is to empower the people who traditionally originate mortgages with the most effective technology support available today.
